

Pathways to Licensure/Implementation Timeline

Initial Interest

Phase One
Fall/Winter

- Interest in BAM expressed
- Connection made to influential stakeholders in new geography: cross-sector public, district, and philanthropic champions confirmed
- Assess against initial criteria for fit
- City stakeholders & Youth Guidance discuss and agree upon licensure or direct replication approach
- Site visits to Chicago and new geography to build momentum

Sustainability

- Identify potential funding district opportunities – public (city, state, county)
- Philanthropic (foundation, corporate, individuals)

Youth Guidance Board Actions

- Approve selection of city
- Commitment to proceed with due diligence

Licensure Partner Actions

- Interest in BAM expressed
- Approval to advance licensure approach

Establish BAM Approach

Phase Two
Spring

- **Due Diligence**
- Identify potential licensure partners
- Execute licensure partner application process
- Select licensure partner
- Execute licensure agreement
- Develop and sign off on city-specific BAM implementation plan

Sustainability

- Establish Advisory Council
- Meet funding threshold

Youth Guidance Board Actions

- Board approves licensure partner

Licensure Partner Actions

- Execute licensure agreement

District Approval

Execute BAM Pre-Implementation

Phase Three
Summer

- Execute BAM pre-implementation plan
- Train Director
- Establish EQI support structure

Sustainability

- Launch BAM Advisory Council
- Secure additional ground-level funders
- Brand standards and core messages training for licensee

Licensure Partner Actions

- Execute pre-implementation plan
- Establish data sharing agreement with school district
- Hire BAM Counselors and Supervisor with approval of BAM

Launch BAM

Phase Four
September

- Execute phase one BTA training during the summer before school starts
- Launch BAM in agreed-upon school sites
- Provide on-site coaching at all sites

Sustainability

- PR event to announce launch of BAM in new geography

Licensure Partner Actions

- Launch BAM

Support and Strengthen BAM

Phase Five
School Year

- Execute ongoing BTA training plan including monthly on-site coaching sessions
- Host bi-annual licensee site visits to Chicago
- Execute annual compliance check

Sustainability

- Recruit additional Advisory Council members
- Grow and diversify funding for future year growth
- Communications approval of logo usage

Licensure Partner Actions

- Complete quarterly quality reviews
- Quarterly data submissions
- Complete annual compliance check
- Outcome reporting utilizing district data sharing agreement
