

The Working On Womanhood program empowers young women to own their narrative and become advocates for the world they want to live in.

WOW is a school-based, trauma-informed group counseling program that improves the social-emotional competencies for girls in 6th–12th grades who are exposed to traumatic stressors in under-resourced communities.

WHY WOW WORKS

IT'S AN EVIDENCED-BASED PROGRAM

that is backed up by a Randomized Controlled Trial (RCT) conducted by the University of Chicago's Urban Labs.

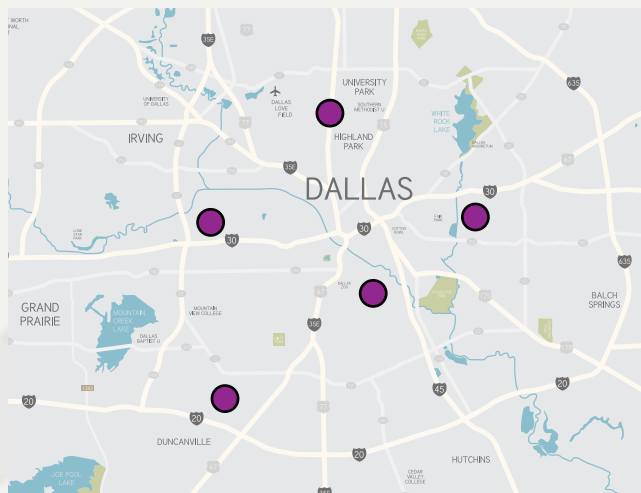

IT TARGETS YOUNG WOMEN WITH SIGNIFICANT RISK FACTORS

to exposure to traumatic stressors in high risk and under-resourced communities.

IT DELIVERS ON OUR MISSION

of “meeting students where they are,” by providing ongoing basic, social-emotional, and mental health supports to our students.

WOW IN DALLAS

WOW was launched in 2011 after its success in Chicago and a careful mutual selection process with Dallas Independent School District, WOW launched in Dallas in Fall 2021, serving five schools.

HOW WOW WORKS

- ▶ WOW is a two year school-based curriculum, delivered through 39 weekly group counseling lessons.
- ▶ Circles are led by WOW counselors, who are college-educated, Youth Guidance staff, many of whom are from the neighborhoods they work in and/or have shared lived experiences.
- ▶ Group sessions include 10-12 young women and each counselor has a case-load of roughly 50 young women per-school.
- ▶ Counselors embed themselves into our partner sites' ecosystem by joining school teams, including Behavioral Health Teams, and provide a level of student support that is uncommon in many urban school environments.

“

I wasn't doing well and I had frequent disciplinary actions. I didn't want to go to school and didn't feel like it made a difference. I was under-performing and nearly failing all of my classes.

When I met with WOW counselors, they were committed to helping achieve my very best. They helped me to realize my potential and to set personal goals for myself.

I went from skipping my classes and failing some of my classes to making the National Honors Society. Since I joined WOW, I have become very aware of my actions. I think before I act. I also became a cheerleader.

MY WOW COUNSELORS HAVE HELPED ME TREMENDOUSLY WITH MY ANGER AND SELF-AWARENESS. SINCE I JOINED WOW, I HAVE BECOME VERY AWARE OF MY ACTIONS. I THINK BEFORE I ACT.”
